

# Bacon Wrapped Apricots

## INGREDIENTS:

40 Dried apricots  
... Toothpicks  
2 pounds Bacon  
... Smoked honey

## DIRECTIONS:

Preheat the oven to 375°F. Wrap a strip of bacon around two apricots and skewer with a toothpick through the middle. Place the bacon wrapped apricots on a parchment lined baking sheet. Bake in oven for 15-18 minutes, turning the baking sheet at 12 minutes. Watch closely so they do not burn. You want the bacon to be crispy. Remove from oven and baking sheet and place on serving board. Drizzle with smoked honey while warm and serve.
